Representative Mark Neuman & Senator Charlie Huggins,
We would appreciate the legislature to consider the following projects in
the budget this year:

1. Big Lake needs a permanent location for their Chamber of Commerce /Visitor Center, Property in this area that is visible begins at about \$60,000 for a lot. We are asking for about \$15,000 to \$18,000 from the state to begin the purchase of a suitable lot for this purpose.
2. Big Lake is in need of new park equipment at the Fish Creek Park, the equipment at the park is only for young children or needs updating. This is a popular area for children to play and families to have picnic, but after a certain age it becomes harder and harder to interest the entire family in going there. This could be done over the next few years and few pieces at a time. I would think \$10,000 to 15,000 would get us started.

Thank you for considering these projects.

Marcy Coman
President of the Big Lake Chamber of Commerce
